The bloody Babri Masjid A caution for the believers

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
وَلَوْلَا دَفْعُ اللَّهِ النَّاسَ بَعْضَهُمْ بِبَعْضٍ لَّهُدَمَتْ
صَوَامِعُ وَبَيَعٌ وَصَلَوْتُ وَمَسْجِدُ يُذْكَرُ فِيهَا اسْمُ
اللَّهِ كَثِيرًا وَلَيَنْصُرَنَّ اللَّهُ مَنْ يَنْصُرُهُ إِنَّ اللَّهَ
لَقَوِيٌّ عَزِيزٌ

Translation: And were it not that Allah checks the people, some by means of others, there would have been demolished monasteries, churches, synagogues, and mosques in which the name of Allah is much mentioned. And Allah will surely support those who support Him. Indeed, Allah is Powerful and Exalted in Might. [Surah Al-hajj, 22:40]

Recently, on September 30, a special CBI court in Lucknow acquitted all the surviving accused of the Babri Masjid demolition case. As a result, all the accused Hindutva leaders, including LK Advani, Murli Manohar Joshi and Uma Bharti, have been acquitted. In his 2,300-page order, CBI Special Judge Surendra Kumar Yadav said,

"None of the accused had any hand in the demolition of the mosque on December 6, 1992. The mad people caused this incident. On the contrary, they (the Hindutva leaders) tried to prevent the vandalism."

However, there are many videos on the internet as proof that these Hindutva leaders led the demolition of the Babri Masjid and incited the people. When the central intelligence agency submitted these videos to the court, the judge brazenly dismissed them as edited videos. In fact, it is foolish to expect justice from a Hindutva court. Because the Ram Mandir issue was 'resolved' before adjudging the Babri Masjid demolition case; construction of the Mandir has even begun, then what is the crime of demolishing the mosque?

O dear Ummah!

These incidents are not coincidental, not even isolated. Claiming firstly in 1822 that Babri Mosque been built on the site of Ram Temple; after that, placing idols of Ram and Sita under the main dome of the mosque on 23 December 1949 by saints; and when Muslims were trying to remove the idols, closing the mosque by the government calling it a disputed area; then,

Rajiv Gandhi's decision to open the Babri Masjid to Hindu priests on January 25, 1986; after that on December 6, 1992, demolition of Babri Masjid in co-operation and passive role of police administration and in support of the BJP-Vishwa Hindu Parishad and Shiv Sena, and in the presence of polytheistic Hindu leaders, including former Deputy Prime Minister LK Advani, former Union Minister Murli Manohar Joshi, former Chief Minister of Madhya Pradesh Uma Bharati and the then Chief Minister of Uttar Pradesh Kalyan Singh; On November 9, 2019, the Supreme Court ruling to demolish the Babri Masjid and build Ram Mandir; and after that, on August 5 this year laying the foundation stone for the construction of Ram Temple and holding Bhumi Pujan in the presence of Modi amid Covid-19 pandemic; and last September 30 acquittal of all accused in Babri Masjid demolition case by CBI court—everything is pre-planned.

Through all these activities, they are forwarding a specific goal; And that is to establish the Ram Rajya (Kingdom of

Ram) in the whole of India. The burning proof of which is the passage of discriminatory CAA law on December 11, 2019. Because by the CAA bill they're robbing the minimum right of citizenship of disadvantaged poor Muslims and building a road to establish the Ram Rajya.

We must remember that the target of these Hindu deceivers is not only the Babri Masjid, but every mosque in every alley. As we witnessed in the riots of February this year, they hung Hindutva flags on the minarets of Delhi mosques. They burst inside the masjid to collapse it. They have taken all the preparation for their mission. They will continue to change their colour until their mission is accomplished. Their mission to wipe out the Muslims from India or make them inferior tenants. Their enmity is with our Imaan, their enmity is with our Shahadah, their enmity is with our prayers, their enmity is with our existence.

O successors of Muhammad bin Qasim and Mahmud Ghaznabi!

The tradition of these court rulings on the Babri Masjid has proved to the Muslims

living in the dream of a secular state that no matter how much we Muslims in India believe in secularism and peaceful coexistence, Hindus will continue to work for the establishment of their Ram Rajya, irrespective of the Congress-BGP.

We must remember that for thousands of years when we had been peacefully coexisted with Hindus, we had been there in the role of ruler, never at the mercy of the cow-worshiper Hindus. Today the impure Hindus, disguised as rats, are treating us like lions in the land of our forefathers, only because we have given up jihad. If we don't lift our arms again declaring an all-out jihad against them, it is not just the Babri Masjid, rather the very existence of our faith (Imaan) will be threatened in Hindustan.

So no more procrastination, no more time to sit back; How many Babri, and how many Gujarat, Muzaffarabad, Assam or Delhi will awaken us?

O Ummah, wake up, choose the path of self-respect and honor, the path of Jihad.
